MEMORANDUM FOR DR. WILLIAM O. MEHURON, DEPUTY DIRECTOR FOR
RESEARCH AND ENGINEERING

SUBJECT: Letter of Appreciation

I know you will share my pleasure and pride in receiving the attached letter from Mr. Peter R. Hunt, Chief, Communications Security Establishment, Department of National Defence, Canada, in which he recounts in considerable detail, the singularly exceptional support that Mr. Nathaniel C. Gerson has provided in so many different areas over his long years of association with that Department.

Clearly, Mr. Gerson has provided a level of scientific and technical assistance far exceeding that which would normally be expected and, in doing so, has earned him and the Agency great credit and many friends. Please convey my warmest personal thanks to Mr. Gerson for his many achievements in this regard and my compliments for this official recognition of his truly outstanding support to our Canadian neighbors.
